

Bradfield Golf Club Calendar 2020

Course Reservations

There will be occasions when Club or College matches and competitions, or golf society events, close the course. As far as possible these have been listed on the calendar but there will be additions and changes as the year progresses. This calendar will be updated as necessary and sent out to all members who are on our email list. Check the car park notice board for updated information.

Tees are reserved from 8.30am until 12.30pm for organised events for men on Mondays and women on Wednesdays. You can sign up for these. The practice area is open to all members at these times.

College priority times

College students have priority on the course and in the golf studio at these times during term.

In brief

Because space is limited, the calendar indicates in brief when events are taking place. Organisers should inform their players of the full details as and when appropriate. Where events spill over into another column they are colour-coded for the appropriate section.
